

## Belt elevator

### Bel elevator

Code: D00264

**Mod. TNE 180**

Length 2500 mm, width 400 mm, height 1450/1700 mm;

Code: D00265

**Mod. TNE 230**

Length 3000 mm, width 400 mm, height 1700/2050 mm;

Code: D00266

**Mod. TNE 250**

Length 3500 mm, width 400 mm, height 2000/2400 mm;

Code: D00267

**Mod. TNE 300**

Length 4000 mm, width 400 mm, height 2300/2800 mm;

### Technical features

- Belt conveyor for elevation of grapes, fruit, and other solid substances
- Made entirely of stainless steel
- Handling by belt with basins
- Stand with 4 wheels, two fixed two pivoting
- Hydraulic piston for discharge height adjustment
- Hopper for liquids recovery
- Scraper for belt cleaning
- Standard loading hopper 800x800 mm
- Mechanical speed variator
- Start / stop button
